NAWC

New Age Wrestling Council

The NAWC has flourished in the past 6 months. They have battled head on with their competition (VKW, GWF, CPC) and have always come out on top. But now old feuds continue and new feuds begin. The Inquisition still battles their many enemies adding Jason Kenmore as an ally and Primal Fear as their newest enemies. A new Cygnus faction is forming with Belroc and Sekada joining forces. Manta a former trainee with Sekada joins Big Bubba to take on the Cygnusians. Madness and Mayhem start feud with one time ally Eddie Dio and his new partner Mr. Vain. And newcomer Ryuuji introduces the Council Of Wyrms as they try to prove the superiority of cruiserweights. Cyber Naught faces a new challenger from outside the fed and he has buckled down and strengthened his already impressive repitoir. All this and the NAWC has renamed it's TV title the All-Planets Title. It is also about to create a cruiserweight title. The future looks bright, will you be there to see it?

abused by NAWC wrestler Belroc (a Cygnusian). Then the following week he showed up at another show and helped Big Bubba Butcha beat Belroc. Belroc and his new friend Sekada have now challenged Bubba and Manta to a series of matches. Manta blames himself for not stopping Sekada, what will he do next time he's in a ring with Sekada?

Sekada

Height : 6'7" Weight : 343lbs

Home : Cygnus

Special Moves – Cygnus Gore (running spear into corner)
Cygnus Back Breaker (military press into an over the knee backbreaker)

Guided Missile (whips opponent into ropes while he goes off the opposite ropes, hitting the opponent with a flying shoulderblock)(Dreadnaughts Finisher)
Finisher – DREADNAUGHT (grabs opponent as if going for a powerslam but on the way down instead of landing on back he lands head first)(This is the move he used to kill Dreadnaught. He has renamed in honor of his late teacher)

Bio – All hail the heir apparent of Dreadnaught, SEKADA. When Sekada ended the illustrious career and life of his mentor Dreadnaught, he was hailed as a hero. With his death Dreadnaught died a warriors death. And with his kill Sekada has earned a place of honor amongst his people. Now though he enters the NAWC to help fellow graduate Belroc who has challenged the coward Manta and the slob Big Bubba Butcha. Sekada though thanks Manta for being a coward and not taking the mantle that could have been his, but now he will make him pay for disrespecting the late, great Dreadnaught.

drop)

Bio – Mr. Vain wrestled in the NAWC about a year ago but was let go because of creative differences. Despite his pretty boy image he enjoys beating down his opponents and that is what caused the rift between himself and the NAWC, they wanted him to act more feminine and prissy in the ring. The two sides tried to come up with something in between but nothing worked and Tobias was let go. He failed to hook up with another fed and went into early retirement. Eddie who originally trained with Tobias finally contacted him and brought Mr. Vain to the NAWC to feud with Madness & Mayhem. The NAWC has finally let Tobias be himself, only time will tell if the crowd will accept him.

Manta

Height : 6'3" Weight : 260

Home: Aquala, Alaara

Special Moves – Alaara Neck Clutch (Cobra Clutch)

Finisher – STINGER (top rope spiked DDT)

Bio – He was the top student in the late Dreadnaughts wrestling school on Cygnus. Despite being only half Cygnusian he was accepted into the school. He and fellow student Sekada were in their graduation match against Dreadnaught when as it looked like Manta would get the win he backed away from the badly beaten Dreadnaught. Sekada then quickly stepped in and hit his finisher on Dreadnaught for the win. Manta went to check on his teacher who hadn't moved since Sekada hit his finisher. Dreadnaught was pronounced dead in the ring moments later. Manta was mortified. He went after Sekada who was celebrating his win with fellow students. As fellow students pulled him away they called him a coward. The next day he withdrew from the school and left Cygnus far behind. A couple weeks later he attended a NAWC card and was attacked and verbally

NAWC NEW AGE WRESTLING COUNCIL

Set 2

The Hunter Jason Kenmore

Height : 6'2" Weight : 240

Home: Birmingham, England

Special Move(s) – Mace Crush (top rope elbow drop)

Hunter Driver (piledriver)

Finisher – DEMONS BEGONE (top rope senton bomb)

Bio - From the moment Jason entered the NAWC he has set his sights on Lazarus and his SINS. After his first and almost last confrontation with Sloth and Anger, Azrael and Keth Vale saved him from the SINS brutal beating. Since that night Jason has taken up arms with The Inquisition against its enemies but most importantly Lazarus. Despite the violent feud he faces right now he seems to be the only member of the Inquisition not fighting fire with fire so to speak. He refuses to lower himself to their level. He constantly tries to get Azrael and Keth Vale to stop taking extreme action against their enemies, but to no avail. Jason sometimes teams with Keth as the new Knights Templar.

The Beast (Primal Fear)

Height : 6'6" Weight : 325

Home :Parts Unknown

Special Move(s) – Abyssal Clothesline (clothesline from top rope)

Bestial Impulses (Beast goes nuts and usually power bombs his opponent thru a table. But the

move can be anything vicious and hardcore)
Finisher - THE BEAST WITHIN (starts off as a swinging full nelson but after a couple of rotations turns it into a full nelson bomb)

Bio - Beast doesn't talk much. But when he does it usually means someone is in real trouble. Officially Beast comes from the ever popular Parts Unknown, but when he speaks of home he speaks of unsaid horrors and unimaginative cruelty. Some have said he hails from Brymstone while other say he hails from Hell itself. Whatever is the case he is cruel, and destructive, and never seems to be in a good mood. One of his many feuds has been against the Knights Templar and specifically Keth Vale. The two will do anything to stop the other and this feud is only starting to heat up.

Cutthroat (Primal Fear)
Height : 6'1" Weight : 250
Home :Parts Unknown

Special Moves – Exploder (T-Bone Suplex)
Finisher(s) - THE FINAL CUT (Cutthroat with opponent on shoulders he bounces off the ropes and on rebound hits a sit-out powerbomb)

PRIMAL FEAR (TAG) (Beast does a military press and Cutthroat jumps off top rope grabbing opponents neck on way down, for a super reverse neck breaker)

Bio - Cutthroat is the mouth of the team. Though he speaks in low tones and lets his actions speak for himself in the ring. Beast and Cutthroat will usually stalk their opponents in and out of the ring before going in for the kill. His feud with the Knights Templar has him fighting whoever Keth Vale's partner is. Whether it be Gabriel, Jason Kenmore or on rare occasions Azrael he will do anything to make his foe bleed. He frequently cuts himself and opponents with

his ever-present dagger which he brings to ringside at all times. The rest of his past is currently unknown.

Eddie Dio (Vicious & Delicious)
Height : 6'2" Weight 245
Home: Bronx, New York

Special Moves – Tattoo'd (spike DDT onto chair)
Finisher – HI-RISE DEMOLITION (overhead press into a sit-out powerbomb)

Bio – Eddie has been wrestling in the NAWC for the past year. He still acts like a street thug and enjoys hardcore type matches. He has made some good strides but he hasn't been able to win the big match. Recently he was in a six-man tag match with Madness & Mayhem. During the match Eddie was holding his opponent and The Mook (manager of M & M) took a chair to hit the opponent who proceeded to duck and he struck Eddie who was promptly pinned. After the match Eddie confronted The Mook and pushed him to the mat. This caused Dillon and Brock to attack Eddie. They left him in a pool of his own blood. Eddie was furious and challenged them to a tag match. Eddie searched and found his new partner Mr. Vain a former NAWC wrestler who hasn't wrestling for the past year. The two then squared off with M & M in a bloody battle. The match ended in a double pin. Despite the ending both teams then continued to brawl into the crowd. The feud between these young teams is just starting.

Mr. Vain Tobias Richards (Vicious & Delicious)
Height: 6'2" Weight : 236
Home : San Francisco, California

Finisher(s) – VAIN STRAIN (Stump Puller)
Tag Finisher – V & D DROP (Eddie Dio hits a spinning side walk slam and Richards follows up with a top rope elbow)
