NAWCG UNHOLY

Welcome to **NAWC SET 4** UNHOLY

Well another set is in the books. This being our smallest set to date, this is will also most likely be the size of all future sets from now on. Thanks go out to Ken West and Quentin LeBeau for letting me use their characters for this set. Thanks also go out to Mike, EEK, EM, Jamie, Q, Ken, Aaron, Chriss, Brandon, MVZ, and everyone online that help to keep me inspired to put out these sets and to keep my love for wrestling going strong. Lastly I wouldn't be thanking anyone without Tom Filsinger, the creator of this game and the madness that keeps it going strong.

THE BUTCHER

HEIGHT: 6'3" WEIGHT: 450LBS

HOME: New Krieghton, Alaara

Earth Shaker— lumbering elbow drop.

Killer B Splash — running splash into corner followed by DDT.

Ground Beef— three straight power bombs.

GET THE SPATULA— a powerslam in the corner followed by a Bonzai drop off second rope finished off with a top rope Moon-sault.

Bubba now in his third year as a pro has met one failure after another thus far. After originally being brought in by NAWC Council member Bob MacAduie, he was soon after left to his own devices and drifted aimlessly through his initial NAWC tenure. Then Bubba bailed out newcomer Manta who was feuding with Belroc and Sekada. After some initial success against the Cygnusians Bubba once again went to his losing ways and he split from Manta who found a more able partner in Ciber Naught. Once again Bubba was on his own and once again he didn't seem to have any focus. Then after the NAWC opened up it's training academy the Sanctuary, Bubba was sent there to train with former Inquisition member Joseph Cathedral and head trainer and former Universal and All-Planets Champion Solace. Solace took Bubba under his wing and began to bring out a mean streak in the big man. Now with an improved arsenal and an amazing moonsault, Bubba Butcha has been turned into The Butcher. Butcher is now focusing in on former All-Planets Champion the Black Tiger Drake as his first target to climb the ladder of success. Bubba is a man on a mission and he looks to carve up the NAWC and swallow the competition.

AZRIEL

HEIGHT: 6'3" WEIGHT: 275LBS

HOME: 4TH LAYER OF HELL

Unholy Hammer— double axe handle from top rope.

Damnation Drop— double arm DDT.

UNHOLY VENGEANCE— Dragon Sleeper.

FLAMES OF PERDITION— Black Fireball.

From The Darkness— voices from somewhere help Azriel avoid opponents attack and counter on level 2 offense.

Saint or Sinner, the real deal or a cruel joke, these are just a few things that come to mind with the emergence of Azriel. Former friends don't even know what to make of him, former best friend Keth Vale actually seems to be slipping back into madness with Azriel's apparent return. Vale has also challenged the new Azriel to a series of matches so he can see for himself if this is the true Azrael or not. The flowing brown hair, trademark chin and cold stare all seem to reveal Azriel as the original. Moves perfected by Azrael are almost the same including trademark moves like the Holy Hammer, Divine Drop and Holy Retribution though they now carry more sinister names. Azriel uses a blackened fireball similar to his Cleansed By Fire finisher to finish off opponents and the black fire is eerily the same as the fire that supposedly claimed his life at the monastery months ago. The Inquisitions leader (Joshua Essex) has tried to extend an olive branch to rejoin them but Azriel responded by fireballing Joshua and saying he wouldn't rejoin the men that tried to kill him. And to make matters worse Azriel has joined The Unholy, and has begun waging war on former allies. The future is unclear but one thing is for sure whether fake or real this Azriel is a true talent and his dark nature only makes him a more dangerous person.

XAPHAN

HEIGHT: 6'6 1/2 WEIGHT: 310 lbs

HOME: Plutark, Brymstone (spend his childhood in Thunderbay, Onterio, Canada on Earth)

Real Name: Adam Shafan

Age: 26

SWEET REMEMBRANCE— STF.

LAST RITES— Inverted Swinging Neckbreaker.

Hardly a new face Xaphan is well known as one of the AWF's top home grown stars. A former 2x AWF Universal Champion Xaphan has also held many titles on the indy wrestling scene as well as being a former NAWC Universal, All-Planets and X-Treme champion. Xaphan was brought into the NAWC originally to help Sammael in his feud with Azrael and Keth Vale. Later the two founded The Unholy and brought in Primal Fear (Cutthroat and The Beast), Gabriel, Dusk, Salem and most recently SamHain and the new Azriel. Xaphan is also the man that ended Azrael's career in a Gates Of Hell match that injured both men in the process. Xaphan, always evolving his style has added the STF as a submission finisher. Given his great height he can really stretch an opponent so it's not a bad idea. Xaphan is always laid back it seems, he gets hyped when its needed, he doesn't live pissed off like a lot of wrestlers try to put forth. Enjoys a good brawl as much as a technical masterpiece. Practiced gymnastics as a youth when his family lived in Canada does a lot of high flying for a big guy including the occasional 360 which always gets a big response from the fans.

SAMHAIN

HEIGHT: 6'2" WEIGHT: 255lbs

HOME: DUBLIN, IRELAND

Celtic Clothesline— is a clothesline over the top rope ala Cactus Jack.

The Offering - is a spinning tombstone piledriver.

Human Sacrifice— is a sit out piledriver.

CREMATION— is basically The Eternal Flame with much more FLAME power due to his new bracers he wears.

Another veteran of the indy wrestling scene, Sam has settled down in the NAWC and has captured the All-Planets title once and the X-Treme title 3 times. Originally came in with fellow TASK members, Body Count, Curunir, Arishikage and Adam Smasher. The group broke up after Curunir left to pursue a singles career and bad timing broke up SamHain's team with Body Count. Has recently joined with Xaphan and Sammael in The Unholy after SamHain captured his third X-Treme title from Xaphan in a brutal match. Besides defending his X-Treme Title SamHain and Xaphan have teamed up to take on the Inquisition's team of Holy Thunderforce (Jason Kenmore and Mathew Soltari). Sam while able to wrestle with the best of them has begun using more dirty tactics and brawling and has even turned his Eternal Flame into his new finisher which he has re-dubbed Cremation. He still employs his former finishers The Offering and Human Sacrifice though he uses them more as wear down moves now a days. Sam is probably in the twilight of his career but he won't go down with a wimper instead he'll take as many down with him kicking and screaming before he goes.
